

Lake County Barometer

The 2005 Lake County Barometer is a collection of information regarding economic development activity in Lake County, Illinois over the past year. The information in this report has been gathered by Lake County Partners from various media sources, as well as from local municipalities, non-profit partners, government organizations, developers, and real estate brokers. It is not intended to be a complete report of business and development activity for the entirety of Lake County. Because of the multiple sources, Lake County Partners does not guarantee the accuracy of the information contained in this report.

Retail Sales

Jan.	Feb.	March	Apr.	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.
-0.3%	0.5%	0.3%	1.4%	-0.5%	1.7%	1.8%	-2.1%	0.2%	-0.1%	0.2%	0.7%

Retail sales is a broad measure of consumer spending trends. Includes sales of motor vehicles, clothing, food at both grocery stores and restaurants, electronics, building materials, drugs and other items. Expressed as a percent change from the previous month, adjusted for seasonal variations.

Source: Census Bureau

Gross Domestic Product

Q4	Q3	Q2	Q1
1.6	4.1	3.3	3.8

Gross domestic product is the broadest measure of the economy, comprising the value of all goods and services produced in the United States. It is reported quarterly with frequent revisions.

Employment Situation

Jan.	Feb.	March	Apr.	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.
76,000	265,000	140,000	228,000	106,000	166,000	241,000	175,000	48,000	37,000	354,000	140,000

The Employment situation report measures month to month change in jobs on payrolls of the nation's business, government, and non-profit establishments. The report is considered to be a more accurate indicator of labor market health than the unemployment rate. Analysts estimate that the economy should add at least 150,000 jobs a month to keep up with the nation's growing workforce.

Corporate Activity

Pharmaceutical/Medical Products

Abbott Laboratories (*Abbott Park – pharmaceuticals*)

- Abbott Laboratories announced that it had purchased Bourdeaux, France-based Spine Next SA for \$60 million. The company makes implant devices used in spinal procedures.
- Abbott announced that it was seeking US regulatory approval for Xinlay, a drug to treat advanced prostate cancer that has spread throughout the body.
- Abbott signed an agreement with OraSure Technologies Inc. to distribute the OraQuick Advance HIV rapid antibody test. Abbott will be the exclusive distributor of the test to hospitals and a non-exclusive distributor to doctors' offices in the US.
- Abbott entered a joint agreement with Italian medical technology firm, Inpeco S.p.A, to offer a suite of automation solutions to improve the efficiency of the diagnostic testing process. With the agreement, Abbott obtains non-exclusive rights to distribute and market Inpeco laboratory automation equipment worldwide and Abbott would have access to new technologies created by Inpeco.
- Abbott received a new patent for Biaxin XL, the extended release form of the antibiotic clarithromycin, blocking rival pharmaceutical companies from launching generic versions of the drug. Biaxin XL is used to treat bacterial respiratory tract infections.
- Abbott signed a licensing agreement with BioCurex Inc., a Richmond, British Columbia company. BioCurex develops Recaf material and technology, a potential biomarker that could aid in developing tests to diagnose some common cancers.
- Waltham, MA-based Inverness Medical Innovations announced plans to acquire the Determine/DainaScreen assets of Abbott's rapid diagnostic business for \$56.5 million.
- Abbott announced plans to cut 700 jobs, mostly in production. This is part of Abbott's plan to focus on more expensive technologies that require greater investments in research and development.
- In an effort to expand development of genetic tests for detecting cancers and infectious diseases, Abbott announced plans to move fast growing, Abbott Molecular, to larger office space in Des Plaines. 400 Abbott employees relocated to the 208,000 sq. ft., 3-story building.
- Abbott received European regulatory approval to market Humira, a rheumatoid arthritis drug used to treat the early stages of the disease and psoriatic arthritis.
- Abbott received US regulatory approval for a new blood glucose monitoring system. The system is used for diabetes care.
- Standard & Poor announced that Abbott would replace May Department Stores Co. in the S&P 100 Index.
- Abbott was recognized in the October issue of Working Mother magazine as one of the 100 best places to work for working mothers. Abbott joins other area companies such as HSBC-North America, Allstate, Motorola, and Northern Trust who were also named to the list.
- Abbott signed an agreement to license a popular technology developed by Johnson & Johnson known as "rapid exchange" for placing cardiac stents in the body. The technology will give Abbott a headstart on entrance into the US market for drug-eluting stents.
- Abbott's PathVysion™ HER-2 DNA Probe Kit was named a recipient of the 2005 Chicago Innovation Award. PathVysion was chosen among 130 submissions for the award, which recognizes innovative products that help improve consumer's lives. PathVysion is a test for breast cancer patients that provides physicians with genetic information to help them predict if a particular type of cancer treatment will be effective for a particular patient.

Akorn Inc. (*Buffalo Grove – pharmaceuticals*)

Signed a letter of intent with Cipla Ltd., a Mumbai, India based pharmaceutical company in which Cipla will be responsible for the development and manufacturing of an oral anti-infective drug product and Akorn will handle the regulatory submission and clinical development.

Aksys Ltd. (*Lincolnshire – hemodialysis products & services*)

Aksys signed a five-year lease for 40,000 sq. ft. at 2 Marriott Drive in Lincolnshire. The company had been looking at Cook County as a potential business location before committing to the Marriott Drive lease.

American Imaging Management (*Deerfield – diagnostic imaging*)

American Imaging Management announced that it was bought out, along with its parent company, International Radiology Group, by Providence, RI-based Nautic Partners LLC, a private equity firm.

Applied NeuroSolutions Inc. (*Vernon Hills – biotech/neurological products*)

Applied NeuroSolutions developed an Alzheimer's disease detection test that improves upon current methodologies.

Apotex Corporation (*Lincolnshire – generic drug manufacturer*)

Apotex Corporation closed its 38,000 sq. ft. office and research laboratory facility located at 616 Heathrow Drive, Lincolnshire Business Center due to the consolidation of its corporate headquarters in Canada.

Astellas Pharma Inc. (*Deerfield – pharmaceuticals*)

Fujisawa Healthcare merged with New Jersey-based Yamanouchi Pharma America Inc. and announced plans to locate the new company, **Astellas Pharma, Inc.**, in Deerfield. The company planned to add 75 new jobs but has exceeded 200. The State of Illinois provided \$8.2 million in incentives to retain the 415 jobs in Deerfield.

Baxter Global Technical Services (*Buffalo Grove – technical support, servicing, and warehousing/distribution for Baxter's Medication Delivery business*)

Baxter Global Technical Services moved into a 69,000 sq. ft. facility in the Corporate Grove Business Park. The facility serves as the product service unit of the Baxter Medication Delivery business with a focus on servicing, technical support, warehousing and distribution of infusion system products. The facility will eventually house 120 to 200 employees.

Baxter Healthcare (*Deerfield/Round Lake – health care products/diagnostics*)

- Baxter suspended enrollment in a late-state European trial for a cell-based flu vaccine. By using animal cells, it was hoped that the manufacturing process would be quicker and more reliable than incubating the influenza virus in chicken eggs. Baxter was the farthest along on the development of a cell based vaccine. Studies planned for 2005 have been put on hold.
- Baxter gained the rights to market and distribute Cangene Corp.'s WinRho SDF in the US. WinRhoSDF is used to treat a bleeding disorder that can cause bleeding in the brain.
- Baxter announced that the FDA had approved a frozen, pre-mixed, single dose version of its Ceftriaxone injection. Ceftriaxone is a generic version of Roche Pharmaceutical's Rocephin, and is used to treat acute infections.
- Baxter signed research agreements with Nektar Therapeutics, San Carlos, California and Lipoxen Technologies, London, England to develop longer acting blood clotting drugs.
- Baxter received approval from the FDA to package its alumin product in a plastic container.

BioSante Pharmaceuticals (*Lincolnshire – pharmaceuticals*)

BioSante Pharmaceuticals received a patent from the European Patent Office for the manufacturing process of its calcium phosphate nanoparticles, a therapeutic drug delivery system and vaccine component that helps triggers the body's immune system to respond to treatment.

Bio-logic Systems (*Mundelein -computer diagnostics for brain and sensory disorders*)

Natus Medical Inc., San Carlos, CA-based make of medical tests for infants purchased Bio-logic Systems in a deal valued at \$66 million

Cardinal Health (*Warren Township – health care products*)

Cardinal Health signed a distribution pact with Eli Lilly and Co. to distribute products to hospitals and pharmacies.

Dade Behring Inc. (*Deerfield – clinical diagnostics*)

Dade Behring signed two contracts with Schaumburg based health care group purchasing and resource management firm, Consort Inc. The first contract is a five year renewal of an existing pact in which Dade Behring will provide its Dimension chemistry system, Stratus CS system and plasma protein instruments and reagents. The second contract consists of a new five year deal in which Dade Behring provides its StreamLAB and Dimension Lynx automated systems.

Fujisawa Healthcare (*Deerfield – pharmaceuticals*)

Fujisawa Healthcare merged with New Jersey-based Yamanouchi Pharma America Inc. and announced plans to locate the new company, **Astellas Pharma, Inc.**, in Deerfield. The company planned to add 75 new jobs but has exceeded 200. The State of Illinois provided \$8.2 million in incentives to retain the 415 jobs in Deerfield.

Hospira (*Lake Forest – hospital products*)

- Hospira received \$13.5 million in state tax incentives to construct a new research and development center in Lake Forest. The 190,000 sq. ft. facility will house 300 scientists and engineers working to develop generic pharmaceuticals and medication delivery systems. The incentive package will allow the company to add 150 technical jobs in Lake Forest.
- Hospira announced plans to relocate 450 employees to a leased facility in Lakeview Corporate Park, Pleasant Prairie, WI.
- Hospira agreed to buy Physiometrix Inc., a maker of anesthesia-monitoring products, for \$23 million.

- Hospira announced plans to shut down its device manufacturing plant in Donegal, Ireland and may lay-off 550 workers there. Products manufactured at the Donegal plant are expected to move to the company's facilities in Costa Rica and the Dominican Republic

Immtech International (*Vernon Hills – pharmaceuticals*)

- Immtech announced that its affiliated researchers at the University of North Carolina Chapel Hill and Auburn University were granted a patent for a process that combats a group of viruses that can cause AIDS and cancer.
- Immtech completed the Phase IIB portion of a clinical trial studying its oral drug candidate, DB289. The trial was to study a possible treatment for malaria in pregnant and lactating women, children, and infants.

Johnson & Johnson (*Buffalo Grove – health care products*)

Colliers, Bennett & Kahnweiler (CBK) announced that it handled a transaction for Johnson & Johnson, in which the company leased 10,340 sq. ft. of space at 2150 E. Lake Cook Rd. in Buffalo Grove.

MSO Holdings (*Bannockburn – obesity management company*)

MSO Holdings acquired Austin, TX based Resources For Living Ltd., a behavioral wellness firm.

Medline Industries (*Mundelein – hospital products*)

Medline won a three-year pact worth more than \$18 million to supply cooperative Consorta Inc.'s members with wound care products.

NeoPharm (*Lake Forest -pharmaceuticals*)

NeoPharm received a \$350,000 milestone payment for the delivery of its first customized NeoPhectin formula.

PRI Diagnostics Inc. (*Barrington – diagnostic services*)

PRI Diagnostics opened at 22285 Pepper Road in Barrington. The company offers state of the art diagnostic testing.

Sysmex America Inc. (*Mundelein - clinical laboratory solutions*)

- Sysmex signed a three year pact to provide automated urinalysis equipment to Schaumburg-based Consorta Inc. Sysmex also extended a pact with Consorta to sell and service its hematology reagents and analyzers to Consorta's members through 2007.
- Sysmex Inc. acquired 5 acres adjacent to its Mundelein facility in preparation for a 75,000 sq. ft. expansion.

Takeda Pharmaceuticals North America Inc. (*Deerfield - pharmaceuticals*)

- Takeda received \$15 million in state incentives to keep its corporate headquarters in Illinois. The company will move from its current site in Lincolnshire to Deerfield. The new corporate campus will eventually include 1.2 million sq. ft. of new offices and research & development space on 70.4 acres at the northwest corner of the Tri-State Tollway and Lake Cook Road. Construction on a 200,000 sq. ft. office building and adjacent parking lot began in 2005.
- Takeda received FDA approval for its new drug application for ACTOplus met. ACTOplus is a type 2 diabetes treatment that combines two diabetes medications into one tablet.

Valent BioSciences Corp. (*Long Grove – biotech products*)

Valent BioSciences relocated to a new 50,000 sq. ft. facility.

Professional/Business Services/Corporate Headquarters

ACCO World Corporation (*Lincolnshire – office products*)

ACCO World Corporation was spun off from Fortune Brands. As a result, ACCO announced plans to merge with Northbrook, IL-based General Binding Corporation which will create the world's largest supplier of branded office products with combined revenues of \$2 billion called ACCO Brands.

ASAP Software (*Buffalo Grove – computer software reseller*)

ASAP Software built a 20,000 sq. ft. addition onto their existing building. **License Technologies Group (LTG)**, an ASAP Software company that provides intellectual solutions for major software publishers will occupy the space. LTG provides distribution and fulfillment of products worldwide.

The Cheesecake Factory (*Lincolnshire – restaurant*)

The Cheesecake Factory announced plans to open a 10,200 sq. ft. full-service restaurant, bakery, and bar in the Lincolnshire Commons. Lincolnshire Commons is a proposed 18-acre development at the northwest corner of Aptakisic Road and Milwaukee Avenue. The grand opening is anticipated for early 2006.

Theme II Grills-N-Things (*Barrington – restaurant*)

Theme II Grills-N-Things opened a 942 sq. ft. location at 126 W. Main Street in Barrington.

Wool Street Grill (*Barrington – restaurant*)

Wool Street Grill, a 5,400 sq. ft. restaurant, opened at 128 Wool Street, Barrington.

Institutional: Hospitals/Education/Government/Non-Profits

Barton Management (*Zion – assisted living center*). Barton Management has completed the state's approval process of a new \$19 million dollar assisted living facility in the 3400 block of Sheridan Road. The operation will provide 130 independent apartment units for seniors, but offers on site limited medical assistance when needed. The facility will include an on-site pharmacy, salon, fitness center, dining and recreation. In cooperation with Rush Presbyterian Hospital of Chicago, this facility is only the second of its type in the State of Illinois. The project will create over 100 new jobs.

College of Lake County (*Grayslake – community college*)

- The College of Lake County opened a new 135,400 sq. ft. technology building in January, 2005. The building provides a premier facility for programs preparing technicians for employment at local businesses and industries. The college also announced the award of a construction contract for a 50,000 sq. ft. classroom building expansion at its Southlake Educational Center in Vernon Hills. Both projects respond to steady growth in CLC's credit-hour enrollment, which has increased by 30% in the last 10 years.
- The College of Lake County broke ground on the new Southlake Educational Center Classroom Building at the Southlake Educational Center, 1120 Milwaukee Ave. The \$13.8 million building will contain 49,029 sq. ft., including six classrooms, eleven computer laboratories, a science laboratory, a child-care center, a bookstore, and a learning resource center.

Condell Medical Center (*Libertyville – hospital*)

Condell announced plans to double the size of its cardiology department. The expansion project will include three cardiac catheterization labs, twelve private patient recovery rooms, and a larger waiting room. Construction is slated to start in Summer 2006.

Fertility Centers of Illinois (*Buffalo Grove – reproductive assistance/fertility center*)

Fertility Centers of Illinois, an organization that has a center in Buffalo Grove, received approval to offer human egg freezing. The service is for patients undergoing cancer treatments such as radiation, chemotherapy, or surgery that would limit future reproductive potential.

Great Lakes Naval Training Center

- The Navy announced plans to raze 2,700 existing family housing units for Navy personnel in Great Lakes, Ft. Sheridan, and Glenview and replace them with 1,500 new units. Housing at Great Lakes would be reduced from 2,000 units to less than 1,000. Forest City Military Communities LLC was selected to rebuild military housing in Highland Park, Highwood, and Glenview.
- The Great Lakes Naval Station broke ground on a \$82 million training facility. The facility will include a mock ship for training purposes and plenty of cutting edge special effects devised by BRC Imagination Arts and i.d.e.a.s, Disney MGM Studios' post production company. The 171,000 sq. ft. facility is projected to open in early 2007.

Mid American Diagnostics (*Zion – physicians group*)

Mid American Diagnostics opened a new medical office in the 2600 block of Sheridan Road last month. The physician co-operative provides general practice, ultra-sound diagnostics and chiropractic services in support of the expanding Midwestern Regional Medical Center.

Midwestern Regional Medical Center

Midwestern Regional Medical Center in downtown Zion is undergoing a \$34 million dollar expansion of its corporate headquarters to accommodate patient services and administrative offices. The facility is also home to **Cancer Treatment Centers of America** that brings more than 1,000 new clients each month to the Zion facility from around the world who attracted to their holistic approach to cancer research and treatment. The facility has 942 employees and expects to top 1,000 within the year.

Mundelein Animal Hospital (*Mundelein – animal hospital*)

The new Mundelein Animal Hospital opened at the southwest corner of Route 176 and Midlothian Rd.

North Chicago Veterans Administration Medical Center (North Chicago – hospital)

- The \$13 million expansion of the medical center began in early 2005. Improvements include the renovation of the center's emergency room, the construction of a new surgical area, 8 new ER stations will be added, and four new operating rooms will be added to space currently occupied by patient rooms. Once these physical changes are made, Great Lakes Naval Hospital will shift all of its inpatient medicine, surgery, and emergency room services to the expanded center.
- Announced plans for a \$110 million joint Veterans Administration and Great Lakes Navy Hospital.

Shimer College (*Waukegan – four year college*)

Shimer College announced plans to expand its operations to the Illinois Institute of Technology (IIT) Main Campus in Chicago beginning Fall Term 2006. Shimer will continue to operate some programs out of Waukegan including its laboratory sciences program for home-schooled students and the Hutchins Institute's graduate program for teachers. The school intends to put up many of the Waukegan Campus buildings up for sale in the coming months.

University Center of Lake County (*Grayslake – multiuniversity center*)

The University Center of Lake County opened its new center on the College of Lake County Campus. The 91,000 sq. ft. building provides space for 17 Illinois colleges and universities and has approximately 5,000 students enrolled in its undergraduate and graduate programs.

Vista Health (*Waukegan – hospital*)

- Announced plans to construct an 11,500 sq. ft. mental health unit addition to the Victory Memorial Hospital building on 1324 N. Sheridan Rd. in Waukegan.
- Announced plans to outsource its Phase III cardiac rehabilitation program to the Northern Lake YMCA in Waukegan or the Vista Surgery and Treatment Center in Lindenhurst. The Phase II cardiac care program at Victory Memorial Hospital has been moved to St. Therese Medical Center to make room for construction of a \$2.9 million cardiac catheterization lab.
- Vista Health agreed to sell most of its assets to Community Health Systems, a Brentwood, TN-based company that operates 70 hospitals in 21 states. The Village at Victory Lakes Continuing Care Retirement Community in Lindenhurst is not part of the deal. An acute care hospital in Lindenhurst is still a priority for Vista Health.

Utilities

Exelon Corporation (*energy provider*)

Exelon Corporation agreed to purchase Public Service Enterprise Group Inc. for more than \$12 billion in stock in a transaction that would create the nation's largest power generation company.

Development Activity

Antioch

- The Village received a \$100,000 Illinois Tomorrow Corridor Planning Grant from the State of Illinois to study the downtown and Route 83 corridor.
- The Village of Antioch retained Valerie S. Kretchmer Associates, an Evanston-based planning consultant, to undertake a Route 83 Corridor Study for the village. Valerie S. Kretchmer Associates had previously completed the village's Route 173 Corridor Study.
- The Antioch Village Board gave zoning approval to Great Lakes Principals for Phase II of their development at Route 173 and Deep Lake Road. Phase II consists of a 162,340 sq. ft. Menard's Store and five outlots of 36,000 to 46,000 sq. ft. Final approval of Phase II development is contingent upon completion of infrastructure improvements for Phase I.

Barrington

- Barrington's downtown mixed-use development project, **Cook Street Plaza**, is on target to open on November 1, 2005 with 60% of the retail space leased. Cook Street Plaza in downtown Barrington is a three-story building that includes 21 luxury condominiums, 18,000 sq. ft. of retail space, and underground parking.
- **Sunrise Assisted Living of Barrington** – 40,000 square feet, two-story, 45-unit assisted living complex located at Northwest Highway and Cumnor Avenue in Lake County was approved in October of 2005. The new development is expected to open in early 2007.
- **Barrington Station** – a 5,800 square foot retail center located at 120 S. Northwest Highway. The retail center will feature a drive-through Starbucks as one of its 4 tenants.
- **Shops at Flint Creek** – 58,000 square foot retail center located at 500 N. Hough Street will replace the old CartonCraft industrial site. The new retail center will feature two retail buildings, including 20,000 square foot Staples will anchor the south retail building. Bank of America was approved as an outlot for the development. The center is approved for at least one drive-through use and will have approximately 270 parking spaces.
- **N V Clothing** – was the first tenant to open in Cook Street Plaza. The women's apparel shop will occupy 1,050 square feet.
- **Kelly Cellars** – is a fine wine retailer who has opened in the Cook Street Plaza shopping center. Kelly Cellars will occupy about 1,370 square feet.
- **Milieu Designs** – is a landscaping design company which has opened at 118 W. Main Street.

Beach Park

- A new Walgreen's store is set to open in early 2006 at the corner of Wadsworth Rd. and Green Bay Road in Beach Park.
- The proposed tax increment financing district for Beach Park's Sheridan Road Redevelopment Project Area will be put to a public hearing in February 2006. The Redevelopment Area extends from Ames Avenue on the north to Hende Avenue on the south.

Buffalo Grove

- **Gateway Center:** ECD Inc. proposed a development plan for a 12-acre parcel at the corner of Milwaukee Avenue and Busch Parkway in Buffalo Grove. Total gross building area for the development is 203,900 sq. ft. and includes a 35,000 sq. ft. retail building, a 13,200 sq. ft. restaurant, 37,000 sq. ft. for medical offices, 37,000 sq. ft. of non-medical office space, and an all suites hotel with up to 123 rooms. The project received a positive recommendation from the Plan Commission; it is expected to be presented to the Village Board for final consideration by July 2006.
- **Waterford Pointe**
Waterford Pointe is a business center located at 1401-1411 McHenry Rd. Construction is proceeding on the second office/condo building at Waterford Pointe. The building is approximately 15,086 sq. ft.
- **Buffalo Grove - Lincolnshire Intergovernmental Boundary Agreement.** The Village of Buffalo Grove and the Village of Lincolnshire entered into an important draft Intergovernmental Boundary Agreement. With its approval, each Village has determined that it shall not seek annexation beyond the boundaries as defined in the Agreement. The Agreement also ensures that local residents and officials - not real estate developers - determine the most desirable development scenario for properties within the Boundary Agreement Map Area. Other important components of the Agreement are as follows:
 - Nearly equal acreage designated for each municipality.
 - The Land and Lakes property north of Busch Parkway in Buffalo Grove would eventually be annexed to Buffalo Grove.
 - The Peerless property on the south side of Aptakisic Road, west of Leider Greenhouse, would eventually be annexed to Buffalo Grove.
 - The Par King and Cubby Bear North properties would eventually be annexed to Lincolnshire.

- o Greater assurances are provided to other area taxing districts in assessing future growth and service demands on their operations and facility needs.

Grayslake

Grayslake Central Range Plan - Plans for the 900-acre development were presented to the Lake County Board. The Village and the County Board developed an agreement to define roles and expectations associated with the development: the county will extend sanitary sewers to the project area, the Village will be responsible for processing development requests, and the Village will provide \$5 million to help cover road improvements and \$4 million for a sewer pipe.

Green Oaks

Village trustees approved a concept plan for a 40-acre parcel east of the Tri-State Tollway that includes a mix of retail businesses in an upscale environment. The site, across from Lambs Farm on Route 176, could support up to 400,000 sq. ft. of commercial space.

Gurnee

- **Great Northern Resorts** is set to construct a hotel/conference center and water park resort at Grand Avenue and I-94. The Majestic Springs resort will include 400 hotel rooms, a 66,000 sq. ft. indoor water park, an outdoor pool, a 26,000 sq. ft. conference center, a 12,000 sq. ft. ballroom, a spa/fitness center, an ice cream parlor, and a restaurant.
- **East Grand Gateway Business District (Gurnee)**
 - o The rehabilitation and sign removal has begun on the former bank/restaurant at the southeast corner of Grand & Waveland to accommodate Temps Now, an employment agency.
 - o The Village Board approved David Berkson's plans to vacate a portion of the Pine Grove Right-of-Way and make building/site improvements to 3363 and 3601-3621 Grand Avenue. Improvements include one consolidated curb cut to accommodate both properties; removal of all wall signs and the installation of new individual channel letter signs; removal of five pole signs and the installation of new monument signs; the installation of decorative building lighting; and the installation of decorative mansard roofs on the buildings and new landscaping.
 - o The Speedway station at 3688 Grand Avenue was demolished and replaced with a new, architecturally attractive station with fewer curb cuts, better signage, and improved landscaping.
 - o Lake County Properties and the Chicago Car Exchange have taken over the old Welton's Market at 3555 Grand Avenue and are converting it into an antique auto showroom and a new home for the Salvation Army Resale Store.

Lake Bluff (Route 41 Interchange)

US Rep. Mark Kirk secured a \$800,000 federal grant to help fund an engineering study to reconfigure the interchange at US Route 41 and Route 176 in Lake Bluff.

Lake County

- Lake County Health Department built a new 11,000 sq. ft., \$2.6 million county health center at 1850 Green Bay Road in Highland Park.
- Lake County is moving forward on the construction of a \$8 million one-stop, permitting facility in Libertyville. The County Board awarded a contract for construction management services to M. A. Mortenson of Elk Grove Village. When completed, the permitting center will house the county's Planning, Building, and Development Department, the Lake County Stormwater Management Commission, and the Lake County Health Department's Environmental Health division.

Lake Forest

- **Lake Forest Oasis** - The newly renovated Lake Forest Oasis on the Tollway opened after the Illinois State Tollway Authority spent \$100 million on upgrading seven oases on its road systems. The Lake Forest Oasis opened on February 18, 2005 and new businesses in the facility include a full-service McDonald's, Panda Express, Starbucks Coffee, Stonebridge Gyros & Café, Subway, Tropicana Smoothies, Juices and More, Famous Famiglia, a Fifth Third Bank ATM, and a Travel Mart Convenience Store. Krispy Kreme Doughnuts, U-Dawg-U, a Massage-in-a-Minute massage chair station, and a new ExxonMobil gas station also opened at the oasis.

Lake Zurich

- **Downtown Redevelopment** - The Village continued the land acquisition process including negotiations with property owners of a significant portion the redevelopment area. A joint meeting of the Village Board and the Plan Commission was held to review phasing of the redevelopment and TIF District projections.

After many months of thorough and careful consideration by the Downtown Project Team and the project architects, developed preliminary site plans and exterior appearance plans. The project team worked diligently to ensure the scale and scope of the buildings were in keeping with the surrounding community and the lake. Phases I and II have been designed to work in harmony with the surrounding residential areas.

Demolition work has kicked-off the first phase of Lake Zurich's downtown redevelopment. Phase 1 and 2, to be completed within a year, would contain approximately 15,000 square feet of retail space, 38 townhouses and 20 condominiums. This project has been recommended for approval by the Plan Commission and the Village Board. Most of the retail space would be leased to restaurants. The project would also contain public plazas and walkways connecting the lakefront area with Breezewald Park and other destinations.

The most tangible benefits from the redevelopment project of course will be to the physical attractiveness and viability of downtown itself. Here is what to expect:

- o More than 50 new businesses are expected to move into the new downtown, including restaurants and food boutiques, booksellers, home furnishings stores, jewelers, ice cream parlors and apparel boutiques.
- o The best of the village's existing businesses will have the opportunity to stay in downtown in efficient and attractive new spaces. The village is working with those businesses on how to accommodate their needs.

McCaffery Interests, the developer for the downtown redevelopment area, have pictures and plans posted at their local office windows located at 2 West Main Street.

- **Route 22 Bypass** - On April 12, 2005, the Illinois Department of Transportation (IDOT) awarded the contract for the Lake Zurich bypass to Kiewit Western Co. in the amount of \$27 million. Of the 18 road projects approved by IDOT for Lake County between July 1, 2005 and June 30, 2006, this is the most significant and long-awaited project. The work relocates Route 22 from the heart of the downtown to the south side with four lanes.

The eastern segment of Route 22, from Buesching Road east to Quentin Road was let in June of 2005. Both contracts of Route 22 will have a completion date of September 1, 2006. The north side of Route 22, near U.S. 12, has been completed and work will resume on the south side in the spring of 2006.

- **Lake Zurich Industrial Park** - The largest single, physical concentration of businesses in the Lake Zurich Area is in an area generally referred to as the L.Z. Industrial Park. The Park is located in the northeast corner of the Village. Covering more than 420 acres, the Park is home to corporate offices, manufacturing facilities, distribution centers and a variety of small businesses. No one company dominates the Park or the labor market for the Park.

2005 has been very prosperous year for the Industrial Park with about half-million square-feet of new construction (office and warehousing) and some relocations occupying existing facilities.

The new companies include, but not limited to, Schweitzer Engineering Labs, Powernail Co., Inc., Maxxsonics USA, and SIV Corporation providing a variety of products and services including nails and nailing devices, audio-sound systems and headsets, etc. This diversity of the manufacturing base is another indicator of the appeal of the Lake Zurich to companies that are looking to expand or relocate their businesses.

- **Affordable Housing Plan** - Pursuant to the Affordable Housing Planning and Appeals Act, which became effective January 1, 2004, the Village of Lake Zurich, a non-exempt community as determined by IHDA, has prepared an affordable housing plan. The Plan has identified lands that is most appropriate for affordable housing and incentives that may be available to attract affordable housing developments in the Village.

The Village of Lake Zurich established a plan that will encourage and attract affordable housing developments in the Village of Lake Zurich that are consistent with the public health and safety capabilities of the Village and will protect and preserve the character and environment of the Village. The overall purpose of the plan is to meet the needs of a population in every stage of the life cycle and with a diversity of incomes and to meet the needs of the full range of incomes earned by the local workforce.

- **Quiet Zone Corridor Study (Regional)** - The Village of Lake Zurich is looking to establish a Quiet Zone Corridor. The Northwest Municipal Conference (NWMC) is facilitating the process of establishing Quiet Zone Corridors in the Chicago land area.

The local communities along the EJ&E Corridor strongly agree that the safety of motorists, pedestrians, train passengers and crews should be foremost in any actions that are undertaken with regard to railroad safety measures. These communities strongly agree that the routine sounding of locomotive horns at railroad crossings places an unacceptable burden on the quality of life of residents living within close proximity of the crossings. These communities strongly agree that it is in their collective best interest to implement any safety measures necessary to comply with the Final Rule in the most sensible and cost effective manner.

The FRA Final Rule creates a unique opportunity for these communities to work in a cooperative manner to pursue the potential establishment of a corridor-long quiet zone to replace the prospect of the routine sounding locomotive horns.

The NWMC is working on establishing one Quiet Zone Corridor from Hoffman Estates to Waukegan. As signatory to this Memorandum of Understanding, Lake Zurich has agreed to work in good faith with other communities towards a mutual agreement outlining a plan to establish the quiet zone corridors.

Libertyville

- Construction is underway at 1631 Northwind on an office condo building. The developer is **Randy Bees**.
- **Johnson Realty (Landhaus Construction)** is developing an office condo building at 1232 American Way.
- **Panattoni Development** is in the process of building a new industrial facility at 1940 USG Drive.

Lincolnshire

- **Lincolnshire Commons** – Construction activity on the 150,000 sq. ft. lifestyle center located at the northwest corner of Milwaukee Avenue and Aptakisic Road is moving along at a rapid pace. Kona Grill Restaurant, offering contemporary American cuisine with a Pan-Pacific flare, has joined the project along with The Cheesecake Factory and Fleming's Prime Steakhouse, which opened in late 2005.
- **Klein Tools Inc.** – The formal groundbreaking for the 124,000 sq. ft. corporate headquarters in the Enterprise Point Corporate Center was held in late 2005. The project represents the final phase of the development which was a joint effort between McShane Construction and Colliers, Bennett & Kahnweiler. Along with the relocation of the corporate offices, Klein Tools will transfer manufacturing operations to the site, bringing approximately 225 new jobs to Lake County.
- **CityPark of Lincolnshire** – Dolce Vita Salon, a full-service salon and day spa, is planning the grand opening for its new location in the CityPark development.
- **Apotex Corporation** – Apotex Corporation, a Canadian-based generic drug manufacturer, announced plans to close its 38,000 sq. ft. office and research laboratory facility located at 616 Heathrow Drive located in the Lincolnshire Business Center.
- **Downtown Redevelopment** – The Village Board has selected Colliers, Bennett & Kahnweiler as the Preferred Developer for the 15 acre retail/commercial site located at the northeast corner of Half Day Road and Milwaukee Avenue. Approximately 40,000 square feet of office and retail space is projected, along with two full-service restaurant sites.
- The Village approved a bid by Weiss Development to develop 62 condominium units in its downtown development area.
- **Buffalo Grove - Lincolnshire Intergovernmental Boundary Agreement.** The Village of Buffalo Grove and the Village of Lincolnshire have entered into an important draft Intergovernmental Boundary Agreement. The Boundary Agreement sets forth a consistent and compatible approach toward land use, zoning and development planning within those areas that might be annexed by either Village so as to create a uniform sense of community. With its approval, each Village has determined that it shall not seek annexation beyond the boundaries as defined in the Agreement. The Agreement also ensures that local residents and officials - not real estate developers - determine the most desirable development scenario for properties within the Boundary Agreement Map Area.
Other important components of the Agreement are as follows:
 - Nearly equal acreage designated for each municipality.
 - The Land and Lakes property north of Busch Parkway in Buffalo Grove would eventually be annexed to Buffalo Grove.
 - The Peerless property on the south side of Aptakisic Road, west of Leider Greenhouse, would eventually be annexed to Buffalo Grove.
 - The Par King and Cubby Bear North properties would eventually be annexed to Lincolnshire.
 - Greater assurances are provided to other area taxing districts in assessing future growth and service demands on their operations and facility needs.

Lindenhurst

- Raybec Investment Company announced plans to tear down the abandoned Eagle Building at Linden Plaza and build 18,000 sq. ft. of new retail shops in its place. A new 13,000 sq. ft. CVS Pharmacy is also planned for the site.
- A consortium of developers and architects proposed the development of **Village Green** on 245 acres of land on Route 45 and Grand Avenue in Lindenhurst. Initial plans include 400,000 sq. ft. of retail space including theaters, restaurants, boutiques, specialty shops, and office space. Also proposed at the project are townhouses, row houses, duplexes, and condominiums.
- Village officials approved plans to construct a 13,000 sq. ft CVS Pharmacy at the site of a vacant Eagle Food Store in Linden Plaza.

Mundelein

- **Mundelein Downtown Plan:** Village officials agreed to purchase the seven-acre, Anitol Equipment Manufacturing Co. site at North Archer Avenue and Division St. for \$5.1 million. The vacant factory and warehouse is in the heart of the planned 99-acre transit oriented development planned for Mundelein's downtown. In addition to mixed use

shops, offices, and restaurants, plans call for the construction of 400 to 600 rental apartments and 600 to 800 condominiums and townhomes.

- **Lake Plaza Shopping Center:** The new 47,000 sq. ft. retail center was completed in 2005 and is fully rented.
- **Mundelein Crossings,** a new retail development at the intersection of Route 60 and Route 83, has welcomed the following stores/services: Payless Shoes, Gamestop, Paris Nails, Pier 1 Imports, Factory Card Supercuts, Staples, Luxe Cleaners, Bank of America, American Charter Bank, Subway Restaurant, and Applebee's Restaurant, and Cingular Wireless. Mundelein Crossings is anchored by **Home Depot, TJ Maxx, and Super Target.** An 8,000 sq. ft. multi-tenant commercial building is currently under construction at Mundelein Crossings.
- The Village of Mundelein annexed 100 acres west of Mundelein Crossings for future commercial development.
- **The Willow Spring Corporate Center,** an 11,000 sq. ft. business center was completed in 2005.
- **Rubloff Development** is proceeding with plans to begin construction of a shopping center on 100 acres west of Mundelein Crossings in Spring 2006. Rubloff has announced that Wal Mart will be one of the centers anchor stores.
- **Systemx Inc.** a world leader in clinical laboratory systemization and solutions, including clinical diagnostics, automation and information systems, acquired 5 acres adjacent to its Mundelein facility in preparation for an anticipated 75,000 sq. ft. expansion.
- Mundelein's **downtown redevelopment** plans moved forward with the execution of a development agreement with **Teng Inc.** to construct 540 condominiums and townhouses on 12 acres of vacant industrial property adjacent to the Mundelein Metra station. Demolition of the existing buildings on the site is complete, site preparation has begun, and sales of units has commenced. Planning is underway for additional mixed use redevelopment in downtown Mundelein.
- **Santa Maria Catholic Church** began construction of a 12,400 sf parish center in July 2005.
- **Alef Sausage** purchased a 14,000 sq. ft. building at 1026 Campus Drive for expansion of its successful processed meat products line.
- The **Mundelein Park District Aquatic Center** is currently under construction with a projected opening in late summer 2006.
- Village of Mundelein acquired **former Anatol Mfg. plant** in downtown adjacent to the train station. Site to be the future location of Village Hall and is key to the transit-oriented re-development in the area.
- The Village of Mundelein signed a contract with **URS** for planning services in Downtown Mundelein for stormwater control, transportation, design guidelines and site development.
- An 8,000 square foot multi-tenant commercial building under construction at **Mundelein Meadows** shopping center. A car wash is also under construction at the shopping center.
- **CVS Pharmacy** opened in Fall 2005.
- **TCF Bank** opened in Fall 2005.
- Mundelein welcomed the following new businesses in 2005: ASAP Cash Loans, Aloha Beauty Salon, American Chartered Bank, Asiana & Company, Car Zone, Chicago Martial Arts, ChildKorp Inc., Clearant Sterilization Service, Contours Express, Cygnus Lactation Services, D.J.D Contractors, El Guerro Western Wear, El Rancho Latino Supermarket, Garden of Korea, Home Depot, Hometown Pawn Shop, Jimmy Johns, Kumon Math & Reading Centers, Murray Discount Auto Sales, Pillow Factor, Ramirez Bakery, Texmac Inc., Senjn Gomtek Corp., TCF Bank, Taqueria El Paraiso Mexican Restaurant, and Tierra Caliente Western Wear.

North Chicago

- The City of North Chicago has selected the McShane Corporation/Bulls Development Company team as the master developer for **Sheridan Crossings,** a 32-acre development site located at the corner of Sheridan Road and Martin Luther King Drive. This redevelopment project is made possible due to a \$10 million bond offering approved by the City of North Chicago in late 2004. The site is expected to support a mixed-use development consisting of both retail and commercial/office establishments.
- The City Council approved a \$2.5 million loan guarantee and \$900,000 in direct assistance for the development of **Grant Place,** a new retail center proposed for Sheridan Rd. A kick-off event was held in October. The first tenants will be a branch of Lake Forest Bank and Trust and a North Chicago Police Substation.
- **Lewis Discount Center.** The City of North Chicago and Developer Hong Kim announced plans to open a discount shopping center in a vacant supermarket building at the corner of Lewis Avenue and 14th St. The center will eventually have 50 to 60 stores and vendors.

Round Lake

- The Lakes Region Sanitary District and the Village of Volo signed an agreement with Round Lake that will extend a sewer line from Nippersink Road to Route 120.
- **Round Lake Grove Center** is a new 140,000 sq. ft. shopping center located at Route 60 and Arden Lane in Round Lake.
- Construction began on **Curran Commons Shopping Center,** a 16,560 sq. ft. multi-tenant retail building.
- The Village of Round Lake is reviewing proposals from Kimco Developers and Lennar Corporation for the development of the 300 acres on the Synnestvedt Nursery property. Village officials are looking at a mixture of commercial development and residential.

Round Lake Beach

- The Lake County Traffic Court was recently completed.
- The Round Lake Area Park District's 40,000 sq. ft., indoor recreational facility is nearing completion and is scheduled to open this year.
- The Village of Round Lake Beach is actively working to recruit sit-down or family style restaurants for its commercial corridors.
- The Village broke ground on its \$2.5 million civic/cultural arts center on Hook Drive, west of Route 83. The building will house the Round Lake Area Chamber of Commerce, indoor and outdoor theaters, and a 300-seat banquet room. The building is expected to be finished in early 2006.
- Round Lake Beach welcomed the following businesses in 2005: A & W/Long John Silvers, Accuvision, Car-X, Choice One, Den-Care, Divine Hair Studio, El Pollo Rico II, Fairfield Storage, Fifth Third Bank, Grande Smile Center, Harter & Schottland Law Offices, Home Depot, LA Tan, MiMi Nails, Potesta's Pizza, Sears Auto Center, The Nail Spa, US Cellular, Stephan Grieman Photo, Subway, and Wayne's Pizza,

Round Lake Park

- Round Lake Park received a \$150,000 in State planning grant funding . The grant funds will be used in conjunction with the development of a downtown plan centered on Main Street. The Village is lining up consultants to work on redevelop plans.
- Round Lake Park is actively marketing property in the **Porter Drive Industrial Park** including one 4-acre parcel.
- **Thornton's Oil** is continuing their expansion in Lake County with the acquisition of the property at the corner of Hainesville Road and Washington Street. This "Neighborhood Concept Store" will be only their second store of this design in the Country with a smaller gas area and 7000 + sq. ft. convenience/cafe/snack bar area.
- **Downtown Redevelopment** - Round Lake Park has moved into the final stages of receiving a \$125,000 planning grant from IDOT. The planning funds will look at ways of improving traffic and pedestrian flows in the area, including better access points to the Metra station in Round Lake and improved access to the new Porter Drive area. Several new buildings are available in the downtown area with commercial/retail/office space available.
- The mixed-use **Fountain Court** development on Hainesville Road is continuing their document submittals with approximately 160 residential units and 20,000 sq ft of retail/commercial space.
- The Village is reviewing a proposal for a residential/commercial development along the **IL Rte. 120 Corridor**. It calls for between 200 and 250 residential units and 6+ acres of commercial/retail space.
- The Village continues to work with a developer of 18+ acres along the **IL Rte. 120 Corridor** for retail/commercial use. It includes recreational facilities, restaurants, and over 70,000 sq ft of retail/commercial space.

Vernon Hills

- **Aarons Enterprises** – Peacock Mobile broke ground on the construction of an office building, automotive service station, minimart, car wash, oil/lube station to be located just north of the intersection of Route 21/45.
- **Aspen Pointe** – Aspen Partners LLC is developing a parcel at the corner of Aspen Drive and Route 60. The development will consist of retail, office space, and residential. Construction is currently underway for a Walgreen's store and a retail building. Jacobs Homes has received approvals for the construction of 132 townhome units on the southern portion of the site.
- **College of Lake County Southlake Campus Expansion** – The College of Lake County is currently building a 50,000 sq. ft. addition to the existing facility located at 1120 S. Milwaukee Ave.
- **Jared the Galleria of Jewelry** – The new store opened at Chili's site at 567 East Townline Rd.
- **Lakeview Center Office Buildings** – A proposed development that will include two multi-tenant office buildings containing up to eight condos per building. The site is located on the northeast corner of Lakeview Parkway and Center Drive.
- **Target Expansion** – Target Greatland located at 313 E. Townline Rd. was expanded by 40,000 sq. ft. and is now a SuperTarget.
- **Tsukasa of Tokyo** – Tsukasa of Tokyo opened a new 10,500 sq. ft. restaurant in the Marketplace Shopping Center located on Milwaukee Ave. near Circuit City and the Home Depot.
- **Town Center Redevelopment TIF District** - The Village of Vernon Hills, Opus North, Half Day Partners, and the College of Lake County continue negotiations for the development of approximately 60 acres located west of the intersection of Route 21/45. The College of Lake County expansion is currently under construction and negotiations focusing on the retail and residential development of the site continue.
- **Walter E. Smithe Furniture Showroom** – Walter E. Smithe is building a new 37,000 sq. ft. furniture showroom at the northwest corner of Milwaukee Ave. and N. Woodbine. The store is relocating from its current location on Townline Rd.
- **Westfield Shoppingtown Hawthorn Expansion** - The Westfield Hawthorn Shopping Center is proposing to expand the facility by building a new 140,000 sq. ft. Carson Pirie Scott store, a 14 screen multiplex theater, and adding a 200,000 sq. ft. outdoor lifestyle shopping area. Additional parking and an expanded food courts have also been proposed. Anticipated start of construction is Spring 2006.
- **Learning Resources Inc.** – Learning Resources Inc. has announced plans to build a 103,000 sq. ft. warehouse/office addition to its existing facility located at 380 North Fairway Dr. in Continental Executive Park.

Volo

Volo Comprehensive Land Use Plan - The Lake County Board authorized Volo's request to extend the Lakes Region Sanitary District boundaries, an approval that will open up almost 2,000 acres for development. The new agreement states that sewer service will only be extended if there is at least a 50/50 mix of commercial and residential development proposed, money is set aside for road improvements, and the affected school districts agree with the proposed plans. It is projected that the area could support 4,800 to 6,000 jobs.

Wauconda

- Eight acres of land on Bonner Road were annexed and zoned industrial.
- An Economic Development Committee has been formed through a joint effort of the Village and the Wauconda Chamber of Commerce. A proposal for the updating of the Village's comprehensive plan and integration of an economic development strategic plan has been presented and is under approval review.
- **Jacobs Homes** received approval for annexation and rezoning for 172 luxury town homes. The company also presented concept plan for 42 luxury townhomes on route 176.
- **Highland Terrace** received approval for 87 townhomes on N. Main Street.
- A 10.5 million dollar sewage treatment plan expansion is under construction that will increase capacity to 1.9 million gallons per day.
- A 60 million dollar school referendum was passed for School District 118 which included building of the new Matthews Middle School, expansion of the Wauconda High School and district wide technical improvements.
- **Pearlmark Realty** broke ground for Liberty Arms, a new 119 unit senior housing project on Larkedale Row.
- Wauconda welcomed the following new businesses: **Renia's Polish Deli** opened for business on Liberty Street, **Liberty Street Liquors** will open on Route 176, and **Glenbrook Excavating** opened a 7.5 acre facility on Old Rand Road
- **Henri Studio** is subdividing 12 acres of vacant property for industrial development off Bonner Road

Waukegan

- **Fountain Square Development** - Wal-Mart Stores, Inc. is constructing a Supercenter store in Waukegan, anchoring a new 98-acre retail center, Fountain Square (former Lakehurst Mall). The 203,000 sq. ft. outlet will include a full grocery store and 36 lines of merchandise, creating 350 to 450 permanent jobs, and generating sales and property taxes of approximately \$1.4 million.
- Kinzie Investments, Chicago, closed on the **Karcher Hotel**. The real estate developer is redeveloping the property with a \$6 million mix of apartments, offices, and retail space.
- **Starbucks Coffee**, leading retailer, roaster and brand of specialty coffee in the world, with more than 9,500 retail locations in North America, Latin America, Europe, the Middle East and the Pacific Rim, has recently opened up a commuter-friendly store also at the Fountain Square Development.
- **Sundance Saloon**, a fixture of Lake County nightlife in Mundelein, has decided pick up their tent stakes and move to Waukegan to be part of the overall development near Fountain Square. Illinois' oldest country western destination that has been entertaining audiences for over 30 years and will occupy the 32,000 square foot building that once was the Service Merchandise property near Belvidere Rd. (Route 120), Highway 41 and the I-94 Tollway.
- **McDonalds** opened their newest restaurant just south of the Fountain Square project. They will occupy the outlot near the Lakehurst Cinema at the corner of Waukegan Rd. (Route 43) and Fountain Square Blvd.
- The City of Waukegan is a few steps closer to completing a new 3 million gallon high-capacity water tank and pumping station along with contractor Natgun at **Fountain Square** that anticipates and addresses the future expansion needs of the development project.
- **Oak Grove Business Park**, Waukegan's newest corporate park at the corner of Delany and Yorkhouse on Waukegan's northwest side, continues to expand and serve the needs of light industrial and corporate clients. Currently a 122,560 square foot building and a 66,720 square foot building are under construction on the sites available on Oak Grove Avenue.
- **Midlane Golf Resort** has gotten approval from the city of Waukegan to construct an indoor water park at their facility that will provide a great new addition to their list of amenities and will certainly help position them as a wonderful destination for family travel.
- **The Waukegan Park District** has begun construction on the 87,000 square foot Hinkston Park Field House at the corner of Grand and Baldwin Avenues. The current plan for the recreational facility will feature workout and locker rooms, a full service branch of the Waukegan Public Library, six full-size basketball courts, aerobics room, elevated running track, child care enter, meeting rooms, offices and a multi-story climbing wall.
- **The Waukegan Veterans Memorial Plaza** was constructed in downtown Waukegan at the corner of West and Washington Streets. This project includes various monuments and statues that honor military service personnel from Waukegan who served their country. This urban park in a scenic location was dedicated on Veterans Day on November 11, 2005.
- **Subway**, the world's largest sandwich chain set up shop in a historic three story historic building near the corner of Genesee and Washington Streets in Downtown Waukegan. It will service the large number of consumers in and around the Lake County Building and at the various areas of higher learning in the city center.

- **Juz' Jokkin' Comedy Club** has recently opened up in a remodeled 2,000 sq. ft. building in the downtown entertainment and theatre district on Genesee Street. The club will feature nationally-known comedians in a very intimate setting that is just steps away from the magnificently restored Genesee Theatre.
- The City of Waukegan is working with **Mid America Real Estate Corp.**, Metropolitan Chicago's leading full-service retail real estate organization, to find a tenant for the 5,635 sq. ft. retail space in the newly constructed Genesee Theatre parking garage. This retail opportunity that features all of the modern amenities in a high traffic area will be sure to attract a quality operator.
- RFP's have been issued for the downtown site of the former landmark **Academy Theatre** in the downtown core at the prime intersection of Genesee and Clayton Streets. The site being offered includes approximately 27,980 sq. ft. for mixed-use development. The property has significant development value based on its location, surrounding amenities and strategic positioning in a major redevelopment area.
- The clean up by U.S. EPA, the IEPA and North Shore Gas and General Motors of the former **Outboard Marine Corporation (OMC) Coke Plant** site along Waukegan's lakefront is scheduled to be completed this year. This clean-up project will allow for commercial and residential development of more than 40 lakefront acres, a central feature of Waukegan's redevelopment master plan.
- **Amhurst Lake Business Park/Panattoni Development Co.**
 - Panattoni Development is nearing the completion of three buildings for Thermoflex, Hexagon, and Visual Pak.
 - Panattoni also announced that WMS Gaming leased its second office/warehouse facility in the park. The facility at 1692 Lakeside Drive has 45,645 sq. ft.

Winthrop Harbor Metra Station Area Plan (Winthrop Harbor)

The Village of Winthrop Harbor is working with Metra, the Regional Transit Authority, and consultants, HNTB and Goodman-Williams Group, to develop a station area plan and streetscape plan for the area surrounding the village's Metra station.

Zion

- Kennedy Homes has been approved to proceed with **Stonebridge Crossings**, a 67-acre, high end, mixed-use project that will include 128 single-family homes and 4.3 acres of commercial retail development. The project is located on Green Bay Road, north of Route 173 and across from the entry to Trumpet Technology Park. Sales are underway.
- Deerpoint Homes has been approved to proceed with its **Shepherd's Point** mixed-use development at the northwest corner of Kenosha Rd. and 21st St. The 30-acre project will include 222 upscale condominiums and 6,500 sq. ft. of commercial retail space. Groundbreaking for the project is expected in August.
- **Zion Public Works Facility** The Zion City Council approved the purchase of several properties, including one that will allow for the expansion of the City's Public Works Building.
- **Mid-Way Supply Inc.**, a wholesale distributor of heating and cooling systems direct to commercial and residential installation companies throughout the Chicagoland market since 1951. Mid-Way Supply also provides training, marketing and product information to commercial installers for its product line that includes Trane, Lennox, Carrier and more. Mid-Way Supply has seven direct to market delivery sites, but makes its corporate headquarters in Zion. In September 2005, the company expanded the Zion operation to include a new customer call center and training facility a block east of its main offices. The company currently employs 100.
- **CVS Pharmacy** has confirmed a new location at the NE intersection of Route 173 and Greenbay Road, part of the **Greenbay Crossings** development now underway for the 18 acre site. Other committed users include Great Lakes Credit Union and the City of Zion Fire Station #3. The project is expected to create 18-20 new jobs.
- **BP** constructed a new retail and service location at the SE corner of Route 173 and Kenosha Road.
- **Family Video** opened for business in a new plaza center at NW corner of 33rd and Sheridan Road. The co-tenant on the site is **U.S. Cellular**. Together the businesses created 18 new jobs.
- **Midwestern Regional Medical Center** in downtown Zion is undergoing a \$34 million dollar expansion of its corporate headquarters to accommodate patient services and administrative offices. The facility is also home to **Cancer Treatment Centers of America** that brings more than 1,000 new clients each month to the Zion facility from around the world who attracted to their holistic approach to cancer research and treatment. The facility has 942 employees and expects to top 1,000 within the year.
- **National City Bank** has committed to a stand-alone service operation at the SW corner of 29th and Sheridan Road in downtown Zion. Demolition is underway of the existing structures and construction of the new facility is expected to begin in early 2006. Many current employees will relocate to the new site, but with the larger space and expanded drive-thru it is anticipated there will be an addition 2-3 jobs created by the move.
- **Omni Hair Station**, a local favorite for over 20 years, is expanding to the **Omni Day Spa and Fitness Center** at 19th and Sheridan on the city's north side. When completed the operation will provide 5 new jobs in addition to its current 11.
- **Barton Management** has completed the state's approval process of a new \$19 million dollar assisted living facility in the 3400 block of Sheridan Road. The operation will provide 130 independent apartment units for seniors, but offers on site limited medical assistance when needed. The facility will include an on-site pharmacy, salon, fitness center,

dining and recreation. In cooperation with Rush Presbyterian Hospital of Chicago, this facility is only the second of its type in the State of Illinois. The project will create over 100 new jobs.

- **Mid American Diagnostics** opened a new medical office in the 2600 block of Sheridan Road last month. The physician co-operative provides general practice, ultra-sound diagnostics and chiropractic services in support of the expanding Midwestern Regional Medical Center. The company employs 12 including physicians, nursing and clerical specialists.
- **Cingular Wireless** opened in the 2600 block of Sheridan Rd. after having completely renovated a former 1920's era bowling alley. The building will also house the relocated **Teacher's Market** and a third retail operation, lease now being negotiated. Both current businesses will create 7 jobs.
- **Hennessey's Steakhouse** is now open at 3077 Sheridan Road, the former legendary Rook's Restaurant location since 1935, and serving a high end menu of steaks, seafood and spirits. Operation employs 37.
- **Hillery's Bar-B-Que** opened its first full service restaurant in August in the 2600 block of Sheridan Road, expanding the company to five sites. Business created 11 new jobs.
- **It's All Good Espresso Café** is now open in the 2700 block of Sheridan Road, providing 8 new jobs.
